Dear Friend,

We feel sorry to inform you that your sponsored child SUNDARI MURMU could not do well in the last Annual Examination. So she is continuing in the same class. She seems to be a slow learner. Arrangements for special coaching have been made for her. She has been advised to give stress on all subjects equally. So she is expected to do better this year. She is fond of playing various indoor games and reading story books.

SUNDARI is keeping well.

Thanking you with regards,

Sincerely yours,

for
